

Dear Parents,

Greetings from the Home of the Knights! We trust all is well with you and your family. As we prepare to bring the 2009 school year to a successful close in just a few short months, we are excited about the upcoming 2009-2010 school year. We are looking forward to having the best school year ever at Liberty Christian Academy. In January 2008, you received a letter stating that tuition would increase 5-8% for the 2009-2010 school year. **As you know re-registration begins Feb. 1st and we wanted to bring to your attention some changes regarding the tuition rate changes.** Under the supervision and direction of the LCA School Board, we have decided to implement the following tuition rate increase for the **2009-2010** school year:

In addition, LCA will assess a \$500 early withdrawal fee for any student(s) who withdraws between July 1st and May 1st, unless withdrawal is due to military orders or by request of the administration. This fee will help cover costs due to contractual agreements with the LCA Faculty/Staff.

This tuition rate increase will help us continue to give your child a quality education while maintaining one of the lowest tuition rates in town. We consider it a privilege to have a part in the education of your child, and we look forward to serving you and your family for many years to come.

In Christ,

LCA School Board
