

LCA SUMMER READING PROGRAM 2010 (K5-12th Grades)

Dear LCA Parents,

LCA is instituting a summer reading program to encourage excellence in reading. Studies indicate that children in their early years who read, are read to, and own books perform better in the classroom and on tests than those who do not. LCA is committed to helping your students receive a superior education. Subsequently, our summer reading program will require your child to read 3 books before he/she returns to school. **In August, their teacher will be quizzing them on the content of these books. You will find this selection under Required Reading.**

Your child's grade is listed as the one he/she will enter in the fall (example: students who have just finished 2nd grade follow the list for rising 3rd graders). Please encourage your student to read the Recommended List as well. These are great books that will improve your child's reading and enhance his/her life. Your participation in the "Read Alouds" will demonstrate your commitment to your child's/children's excellence in reading as well.

Additional ideas to encourage reading:

- Library & Ice Cream Night – The entire family goes to the library to choose books and then out to Dairy Queen for a cool reward.
- Outdoor blanket party – books, lemonade, and reading anywhere in the yard or on the porch
- Used bookstore treasure hunt – Whoever finds the best book for the cheapest price chooses the next read-aloud book.
- Reading caves – Make a corner of the room, closet, garage, or tree fort a reading hideout for your child/children.
- Set the timer to limit video games, TV, and computer play especially in the summer when we are most likely to lose track of their gaming time.

The sky is the limit for ways to encourage your child/children to love books; so have a great summer vacation and read, read, read!

Sincerely,

LCA Faculty/Administration
